

**Fact-Checking the Fact-Checker: Investigating AI Reliability
Presentation Rubric**

65-75 Sec Presentation Rubric

Criteria	Excellent (3 pts)	Good (2 pts)	Needs Improvement (1 pt)
Clarity & Organization X2	Presentation is well-structured, follows the time breakdown, and ideas flow logically.	Mostly clear, but minor lapses in structure or timing.	Ideas are unclear, disorganized, or significantly off time.
Process Explanation	Clearly explains the steps taken in analyzing AI-generated disinformation.	Mentions the process but lacks some details or clarity.	Process explanation is vague or missing key steps.
Reflection & Insights	Thoughtful insights on AI behavior, ethical considerations, and key takeaways.	Some reflection, but lacks depth or connection to key learnings.	Minimal or unclear reflection on the experience.
Delivery & Engagement	Confident, engaging, and within time limits.	Somewhat engaging, minor time or clarity issues.	Lacks engagement, unclear delivery, or significantly off time.
Verbal Communication	Clear, articulate speech with appropriate pace, tone, and emphasis.	Mostly clear speech, with minor issues in pace or tone.	Speech is hard to follow due to poor pacing, tone, or clarity.
Non-verbal Communication	Effective eye contact, gestures, posture, and facial expressions.	Some use of non-verbal cues, but inconsistent.	Minimal or distracting non-verbal communication.
Time Management	Stays within 55-65 seconds, with smooth pacing.	Slightly under or over time (45-54 sec or 66-75 sec) but still effective.	Significantly over or under time (below 45 sec or above 75 sec), affecting clarity.

Total: /24 points

Presentation Focus Areas

To deliver an effective and engaging presentation, focus on the following:

1. Content & Clarity

- Be concise and to the point stick to the time limit.
- Avoid unnecessary details; focus on process and insights.
- Structure your points logically so your audience can follow easily.

2. Verbal Communication

- Speak clearly and at an appropriate pace.
- Use a confident and engaging tone.
- Emphasize key points to highlight important insights.

3. Non-verbal Communication

- Maintain eye contact with your audience.
- Use appropriate gestures and facial expressions to reinforce key ideas.
- Stand or sit with good posture to convey confidence.

4. Time Management

- Practice beforehand to ensure you stay within one minute.
- Use the suggested time breakdown to balance your content effectively.
- Avoid rushing through or dragging out sections keep a steady pace.
